

Free Printable 4 x 6 Chess Pieces

Chess Pieces

These can be printed on 4x6 index cards front and back. Great for introducing Toddlers and or beginners to the names for chess pieces.

1. Give your toddler 2 different chess pieces then place one of the matching cards on the table, name the piece out loud and help your toddler place the correct piece on the card. Repeat the process with each pieces.
2. For older children, show only the name side of the card and have child show you which piece it is before turning the card over.
3. Print 2 copies of the image side only. Play the matching game by placing them face down.
